SEXUAL ETIQUETTE

balancing two men

About a year ago I was dating two men. Neither one knew about the other. They lived in different parts of town with jobs in really different industries, so it was pretty easy to work things out. Or so I thought.

I go on dates with Tom on Friday nights and go with Fred on Saturdays. I kept a little calendar so that when I saw them during the week they'd never meet by accident. Well, one night I sort of screwed up. Boy, did I ever!

Tom came to my house, and we were going to go out, but we started to make out on the couch in the living room. When the doorbell, it was Fred, and he saw Tom feeling me up, right there in the living room window. Boy was he ever mad! At first they started yelling and arguing with each other, but then they both started laughing! I know, it was pretty freaky. Then Tom and Fred went to a corner of the room and started having a conversation, only they were talking really softly. Then they walked back over to me and they were both smiling and both had the same wild look in their eyes.

Fred started talking first. He called me at two timer and that I hurt his feelings. Then Tom said basically the same thing. Then Fred said that there was one way I could make it up to them, but he didn't say how. Then Tom said the same thing and they started laughing! So I asked them what they were laughing about and Fred said: "If you want to date us two men the same time, that's cool. As long as you fuck us at the same time!" Wow! Sometimes I fantasize about what it would be like to be with two men at once, but never dreamed it would happen to me! I took them up to the bedroom and they sat on the edge of the bed. I put on music and did this little dance while I took off all my clothes. Boy, was I getting horny.

When I was fully naked, I got down on my knees. They each pulled out their cocks, which are totally hard by now,

and I started to give them both blow jobs. When I was sucking on one, my hand would be stroking the other. Next, I lay back on the bed and they took turns eating my pussy and the one that wasn't down between my legs would be up in my face, popping his cock in my mouth. And, they kept changing positions!

Then Tom said: "Let's fuck this two-timer." And so that's what they did! Fred went first and got top of me and put his big hard penis in me. Fred and I have fucked a lot of times, but this time felt different. It is like he was machine or something. Well, the minute I started feeling like I was going to cum, he stopped, pulled out and rolled off. Well, now I was so close to cumming it was unbelievable! The Tom mounted me and after a few deep strokes, stopped and got off me. Boy, was I really getting frustrated!

And that's what happened for probably half an hour. Back and forth, in and out, over and over. By the end of the half hour, I felt like I was going to explode! I felt like I

was building up the biggest orgasm! Finally I just asked: "Guys, won't you please let me cum now? I'm ready!!!"

Tom lay back on the bed and I took his erection up my ass. It took a little doing, but pretty soon his penis was way up there! He reached up and grabbed my boobs and pulled me back so I was laying on top of them. Then Fred climbed on top of me and shoves his cock inside my pussy. Then they started to slide their cocks in and out of my butt and pussy. Then they started to do it really hard and really fast. I was moaning and thrashing and ready to burst at the seams. Boy, did it ever feel good, especially when the time came and they both came inside me! Now I'm glad they met.

I had just graduated college, not exactly sure what do with my life. I got married right after that but even then I was lonely and kind of desperate. I invited over my manager from the bar I worked at for "drinks and a movie", which, in the dating world, means "small talk before fucking." I really didn't want to have sex with him. I shouldn't have invited him over, but I did. He came over and I immediately realized the bad decision.

It's very difficult to stay loyal in today's world. There are so many temptations out there that a girl just has to be careful. And I wasn't. I lost control one night and ended up sleeping with someone else. That made me feel really bad. But when I told my husband, he was very adult about it. But he said that I had to be reprimanded by getting him and me another woman to fuck us both. I said that wasn't much of a punishment for me. He said that we'd have to do it again and again until it was.

lots and lots of great

I thought I'd start things off by sharing an experience for my recent past and take a little time to tell you a bit about myself. Here we go...

I'm 31 with a wonderful loving husband and two great danes, Ricky and Fred. My husband and I live in sunny Southern California and, yes, we have an open marriage. I enjoy yoga, swimming, nude sunbathing. My favorite food is sushi, my favorite color is pink, and my favorite sexual position is reverse cowgirl. I'm bisexual and I'm super attracted to slim, small breasted women and well- hung men, of which my husband is one, thankfully. I love my husband but I like all different types of men, too. My basic philosophy of sex can be summed up in one word: Enjoy! If it feels good, why not do it? I don't have much use for taboos, and I believe that rules are meant to be broken. Whatever two (or more!) Consulting adults want to do is fine with me.

Okay, those are the basic biographical details. Now I'd like to tell you about what I got for my 30th birthday. Like a lot of women, I was a bit nervous as my 30th birthday approached. I think some women dread turning 30 because they believe it is the end of their "youth," but I think turning 30 is only the beginning! And to make sure I started my 30s right, my husband decided to plan for me a very special party.

How special was my birthday party? Well, I got two big cocks, two firm boobies, one shaved pussy, and six loads hot of cum. And that was on top of all the wonderful presents my husband and all my friends gave me.

Let's start at dinner... My husband had booked a limousine and he took me to my favorite sushi restaurant. After our delicious meal, we went back out to the waiting limo. Imagine my surprise to see that there were two people, strangers, in the back of the "empty" limo! And they were both part of my hus-

band's birthday plan! One was a gorgeous girl. Her name was Ginger and she was barely twenty. Oh, what a cutie! Ginger had long strawberry blonde hair, a trim little body and perfect little pair of boobies with pink stiff nipples — my favorite kind! And I soon discovered that she had a totally shaped pussy which is another favorite of mine.

My other "gift" was the tall, silent type. His name was Jerome. He talked in a low voice and he carried a very

big stick! After my husband had introduced me to my perfect companions, we all piled into the limo, had some fine champagne, and headed to the nicest hotel in town. My husband had reserved a luxury suite! Once we were safely in the suite, things got very interesting, very quickly. First Ginger put some loud music on the stereo and performed a super erotic striptease while my husband, Jerome and I watch. What a foxy little honey she was! In the sight of her pert boobies, and smooth hairless pussy made a real

gifts for my birthday

impression on all of us. My pussy had gotten hot and wet watching Ginger strip, and Jerome had gotten so caught up in it that he had pulled out his huge cock and touched and stroked it while we all watched the erotic little show and dance.

When Ginger finished her performance, all hell broke loose. Jerome and my husband picked me up and out of my chair and laid me on the bed. And all three of them stripped off all my clothes. Ginger scampered

up on the bed and straddled my smiling face and then sat her pretty little pussy right down on my mouth! While I got busy eating Ginger's tasty little pussy, Jerome had his face between my legs and quickly proved that his tongue was as skilled and his cock

was big! And my husband wanted some action of his own, so he stood up on the bed and shoved his raging boner into Ginger' sexy mouth. Next, Ginger and I moved into a sixty-nine position with me on top.

Eating Ginger's pussy while she ate mine was almost too much pleasure to handle and we both brought each other to orgasm in what seemed like a couple of minutes. The men have enjoyed our display of sixty-nine, and now they wanted to join in. Jerome moved into position to fuck Ginger. And my husband got ready to do me doggy style. But, remember, Ginger and I were still in a hot sixty-nine. So while Jerome's cock was entering Ginger's sleek pink pussy, it was right in my face!

And when my husband started to fuck me, Ginger was perfectly positioned to lick my husband's cock and my clit. Well it didn't take much fucking and simultaneous licking before Ginger and I came again – and both guys were ready, too! Jerome pulled out of Ginger and my husband pulled out of me and before I knew what was happening, both men were stroking their cocks and blasting their hot cream right in my smiling face and open mouth! And then Ginger licked and kissed my face clean! Two loads down, four to go.

After that, things got even more serious! Ginger and I lay flat on our backs and Jerome and my husband took turns fucking us. It was like a competition, each man trying to outfuck the other. Wow, what a pounding Ginger and I both got! And the fucking went on long, with each man having plenty of chances to fuck both us. Of course, even the studliest stud can keep it up like that for so long before he has to bust a nut. Soon Jerome and my husband were jockeying for po-

And my husband got ready to do me doggy style. But, remember, Ginger and I were still in a hot sixty-nine. So while Jerome's cock was entering Ginger's sleek pink pussy, it was right in my face!

When I came, it was like getting hit by a truck! Those two cocks just kept pounding my two holes and I just kept cumming and cumming. And it must've been good for the guys, too...

sition in front of me and blowing two more generous loads straight into my face and all over my big boobs! And once again, Ginger performed cleanup duties.

After resting up and regaining their erections – while watching Ginger and I go at it with a long two-headed dildo — things got really, really intense! Ginger jumped to her feet and soon and assumed an asser-

my behind. Before I could even get used to the feeling of having such a big dick up my butt, my husband pushed his throbbing prick into my spread pussy with a single powerful thrust. Oh my God, I never felt so stretched and fulfilled and totally penetrated in my life. It felt simply amazing! And that was before they even started fucking! And when they did, it was the most intense fuck I ever had!

tive demeanor. "You!" She barked, pointing sternly at Jerome. "I want you to fuck this hot bitch up her tight ass!"

Jerome stood up and began slowly stroking his massive penis. "And you!" Barked Ginger, pointing at my husband. "I want you to fuck the living shit out of your hot wife's steaming pussy. And I want both of you to fuck her now, at the same time! I want you to double-team this birthday pussy! Give this bitch the birthday she shall never forget. Do it. Fuck her."

With Ginger barking instructions, I sat my ass back on Jerome and felt his mighty pecker slide slowly into

When I came, it was like getting hit by a truck! Those two cocks just kept pounding my two holes and I just kept cumming and cumming. And it must've been good for the guys, too, because after what felt like a half hour of relentless fucking, they pulled out and popped all over my face for a third and final time! Well, that was the final time that night — my husband had reserved a room for the entire weekend and the four of us partied on, celebrating my fabulous birthday until Monday morning!

That was one year ago, and I'm here to tell you, dear reader, that my sex life, as a 30-something woman, just keeps getting better and better.

My ex and I would enjoy watching porn together. One day, I decided to put on some lesbian porn. Believe it or not, the movie was great with lots of beautiful women. We were laying on the couch together but he didn't touch me until a good half hour into the movie. He kissed my neck and then unfastened my bra. He rubbed my boobs and lightly touched my nipples and I got so excited that I exploded into a huge orgasm!

He called me Sunday to confirm our guitar lesson for Tuesday, and asked if I wanted to grab dinner before hand. I said sure, let's meet 1 hour before for a quick bite to eat.

We had a nice dinner and I decided to use the bathroom and he followed me in asking for a quick hand job right then and there. I told him to get out and I agreed I would that (and more) after our lesson finished. He agreed and left and then after the lesson, we did it.

wild action on the front

It all started back in the spring at a mid-size city's network affiliate television station where I was a so-called "rising star." I think they respected my insightful reporting, smooth professionalism, and a pair of very, very full boobs. For those that, no matter how modestly dressed I was, it always looked like they were about to burst out like bombshells through the TV screen and land in your lap.

I tried pasting over my nipples with electrical tape. I also couldn't hide the fact that when they got aroused they were over 1/2 inch long. Since I'm the kind of news junkie that gets excited by talking of how big the federal deficit is growing, we regularly get more male viewers age 14 to 50 than any other station for 10 states around, with probably a bit of thanks for my breasts.

Because a lot of my city's hometown boys are over fighting in the Middle East, my station runs many features about our soldiers overseas. Now, if you think I get excited easily with talk about how long the recession may last, and how hard those metal baseball bats can be, then you better believe that seeing those big, strong boys in uniform have been powerful, hair-trigger weapons of explosive force makes me want to slip into my private dressing room. I'd lock the door and imagine General Hart taking me and fucking me

all the way to the front and back.

I don't apologize for being a healthy, highly sexed woman. Being smart, wearing glasses, dressing appropriately for a professional environment, none of those things mean a woman can be a howitzer in bed. Just ask my ex-husband. So when the station manager suggested sending me to the war zone in a sweeps week stunt, I jumped at the chance to meet our hometown heroes up close and very personal. (There's nothing like a man in uniform... except the man out of uniform)

So after getting all my credentials in order and making arrangements, I made a stopover with two other journalists and checked in with them at the hotel. The next evening around 10 PM, we were picked up by a U.S. Army Captain — I don't usually go for the 40-ish crewcut type, but this guy in his camo fatigues was so toned and in shape, and stood ramrod straight, that I mentally licked my lips wondering if all of them were so toned, in shape, and ramrod straight. We rode with him from the hotel to an Air Force base, arriving just after midnight.

I won't bore you with the RC - 130 Hercules transport flight to another base deeper in the zone, and our ground transportation in the shuttle minibus, and then a rhino-runner armored bus that got us to the

city's safe zone. This place gets infiltrated and bombed around the perimeter sometimes. I know it's sick or maybe just a fetish but I thought of the danger, the thought that any moment anything could happen, made me feel more alive and yes, horny, than I had felt in months. God help me for thinking this way, but I was a ticking time bomb of sex. With an explosive incendiary device between my legs.

I wanted to be out in the field, so instead of a hotel room I took up an offer from a Combined Press Information Center officer, and with a couple other journalists got caught in the CPI seat office. The three other reporters were all men, so I got the press liaison officer's small private office.

It took a couple of days for my freelance videographer and me to hook up with some soldiers... I mean, get embedded in a unit. I mean, geez, everything about the military sounds like sex, doesn't it? I took the time to get to know the lay of the land, I'm sorry, all right! How else was I supposed to phrase it? And I made friends with Lieut. Banks our liaison. Or rather, my liaison, since he took an inordinate amount of interest in my home body armor, shall we say? Using the rationale, or let's face it, the excuse, that I was a woman and so needed special treatment, Lieut. Banks soon became my lay-is-on.

Oh believe me, I wasn't complaining! Smooth skinned, black hair built like a battleship, he was the hottest looking public relations guy in maybe the whole world. Oh hell, let's just skip ahead to the night the bad guys started bombing the city just outside the zone, and the two of us found ourselves huddle for protection in his office, with the door conveniently locked. I said

before how danger and the possibility of getting killed made me feel so fucking alive. Well, here I was, bombs exploding outside, my pussy exploding inside, and a muscular hunk of grade A U.S. soldier holding me tight on an air mattress he brought over just for me.

I'm sure he could tell from the way I was trembling and gazing around with wide eyes that it wasn't just the booming blasts and rockets red glare that was getting my adrenaline up. Pretty soon we were face-to-face and lip to lip, and then I moaned, "Oh, you big strong soldier..."

That did it. My pussy was soaking wet and I was about to scream. I pushed him off me and tore open my blouse that a stream of buttons flew in every direction. Lieut. Banks wasted no time likewise tearing off his shirt to reveal a tank top so tight against his massive pecks and washboard abs. It was like he was wearing a tank top over a tank! Then he peeled his shirt off, and all I could muster was a whispered, "Oh my God." His arms and upper body look like he could tear a car apart.

Gathering myself momentarily, I undid my bra and then the rest of my clothes and then stood proudly showing off a body that had made men weep. Lieut. Banks just smiled a little and dropped his pants, and my eyes shot open wide seeing briefs that could barely contain the bulge straining within. I gasped and my legs were weak at the softball size bulge, trembling and growing larger. My pussy was dripping as I slowly descended to my knees. Then he dropped his shorts exposing a 9 inch cock still limp between his legs! I practically came right there.

Lieut. Banks stood with his hands on his hips, huge cock hanging like a fire hose. I stroked the stick's

monstrous size and whispered in his ear, "Your cock's magnificent!" and moaning as I rub the gigantic head against my lips. With a grunt, I pushed the head forward, desperate to engulf as much of him as I could within my full lips... And sensuous mouth.

I have deep throated many men in my time, but this cock was too much for any woman to deep throat! As I sucked and sucked, moaning with delight, feeling it throb like it was about to burst, I savagely sucked and licked and slobbered all over it — until a blast with more power than I've ever felt from a man, exploded out of him so hard against the back of my throat it actually threw my head off of him!

His cock was free in the air, spurt-ing blasts of his cream, all over me! I swallowed what I could slowly, feeling that liquid heat flowing down my throat. I slid two fingers through the blast that was all over my breasts, collecting it and then licking my finger as I stared into his eyes. We melted on the air bed. He leaned over me, and glided a big strong hand to my pussy. "Can you feel how wet I am? Your cock exploding in my mouth has made my pussy so wet I am tripping. Feel me." I told him, pushing his fingers deep inside me until I gasped.

Simultaneously, he put his mouth on my right breast, licking and sucking his way to the nipple until I was so hot I was fucking his hand. Lieut. Banks eased himself in and I felt a convulsion spear through my body. I can't believe how big he is, I thought, practically fainting with joy. He pulled out and gently massaged my pussy with the head. I moaned as he slid it up and down over my clit. Every time his massive sized tool touched me, it took my breath away.

My pussy stretched as more and more of his cock slipped into my steaming box and a moment later I screamed as I felt myself filled so deep I thought I was about to burst! I screamed, mashing my breasts together that I was going to cum. I screamed as he drove me to one orgasm, then controlled himself and kept pounding me without cumming, until one minute later I had a second orgasm!

He kept on going and gave me a third! Stop! I say. Nothing like this had ever happened before. I have never, ever, ever in my life had a man so good and hard. And now it was his turn. The look on his face almost scared me. "You want me?" He demanded, pumping away, the sweat on his biceps making me want to scream. "You want this fucking cannon to explode inside you?"

"Oh, God, yes, yes, yes! Come in me! Flood my pussy! Oh, fucking God, come so hard, come so hard!" My muscular lieutenant grunted as his cocky erupted deep inside me. His muscular U.S. Army body came inside me like a Patriot Missile. I could feel his hot jism pumping with the force of a rocket. My God, I thought, what a man. What an amazing fuck!

Afterwards I just laid there, my chest heaving and my heart beating like a drum. Lieut. Banks was beside me, sleeping. But I wasn't done with that cock. I gently grabbed it and gave it a little squeeze to see if it would awaken him. When it didn't, I lowered myself down there and took it in my mouth and quietly and softly sucked on it. I listened to his moans as it got harder and harder.

Daylight comes. In the day I do my job as always and report the news and the truth as I find it. But at night? Oh, I have some wild ideas — all off the record of course.

Everything went on for the next couple months just as it always had with my husband splitting his time between me and work. Lately, we started getting together more than usual. It was like we couldn't get enough of each other. But I needed more so I found another cock. I didn't like it at all. I finally realized that my husband's cock was the one designed for just my pussy. It fit in there like a charm.

I want to write erotic stories in the future. I have plenty of experiences that I can write about.

Hope you like my first opening paragraph: "I bit my lip as my body shook.

I squeezed my nipples together as I ground further onto his ridiculously hard cock. He pumped faster and faster until my hips were bucking into the air. I collapsed onto the bed my body still trembling from the orgasm that washed over me. I had my best sleep that night."
